

## Some common tests that may not be covered at a physical

Please note that the following common tests, performed at a physical, may not be covered by your insurance company. These codes may be denied completely, or they may be subject to deductible or copayment.

Vision screening- 99174

Audiometry (Hearing screening)- 92587

Development screening- 96110

You will have the option to sign a waiver saying you would like the test to be performed and pay a fee if not covered or decline the test all together.

This list is not inclusive as each insurance is different. There may be other codes subject to a copay or deductible.

Please check with your insurance carrier prior to your visit.
